Present: Don C Susan Z Elva B Jocelyn and Darryl P Malcolm M Faye S

1. Call to order at 1005 - met in village office
2. Declaration of conflict of interest - no one declared
3. Minutes approved from previous meeting with addition of a quote that had been presented at Oct 19th meeting from Ray for screen/wind breaker option for pavillion
4. Business from Oct 19th meeting - Terms of reference document reviewed. Copies presented to Don (chair) and Elva (secretary) for records
- 5 Treasures Report - see attached report as submitted from Susan Z
6. Planning for budget development

Priorities identified from list discussed in Oct 19th 2025 meeting were:

1. repair to playstructure platform located in Pickeral park - safety concerns identified. Volunteer to do the job - budget for 400.00

2. Electical install for the pavillion - Malcolm Manz gave a quote for approximately 2500.00. Steps identified to be: trenching , bore hole in concrete, at least 2 outlet inside the pavillion. Malcolm spoke with Landon C (CAO) to inquire about pulling a permit for electrical work in the coming week. Landon gave the go ahead for the electrical work to get going after the permit is secured.

3. Floor in Pavillion - Darryl has spoken with Josh Serbu and was recommended that pavement is not a good option and concrete was recommended. Quotes x 3 were presented: Lakeridge gave 2 quotes and Myers gave 1 quote.- both local companies in Strasbourg. Quotes ranged from 26,640 to 29,970.00. Joceylh as council liaison will present to village for approval and options of shared costing and or bank rolling so the work can be done. Budget for 30,000

4. Kitchen misc needs to include smaller items: example kettle, lighters for BBQ, dish soap, etc. popcorn bowl identified as needing replacement in next year or so as it is wearing thru the metal.

5. General start up funds needed for the season of activities- 12,000.00 (purchase of food, supplies, propane etc)

Items discussed that rec committee feels would not be responsibility of the rec committee

- general building repair - eavestrough are coming off/ rain and snow coming in around the opening window boards

- water heater elements are fried. Breaker was accidently left on after the water heater was drained. Both elements will need replaced. Suggestion to have a spare element on hand.

Other items discussed:

Susan requires a letter from council with the dates for the beer gardens thru the summer:

- June 27th (Canada Day celebration) Beer gardens 12 to midnight. 50/50 license to start at 5 PM on Friday June 26 and draw time June 27 at 9 PM prior to fireworks

- Aug 1 2026 - 50/50 license to start 5 PM July 31 and draw time 6 PM - Liquor permit Aug 1 12:00 noon until 8 PM

Book the same band as last year for June 27th. Don sent a text to his contact during meeting to inquire if they are available. They are available and booked for 1700.00.

Ice Breaker - Faye S

All spaces from 2 sheets were sold. Faye had followed format from previous year and tickets were sold based on a payout of 300.00. Faye asked by the payout is more than what the Rec committee makes. Discussion - that is the way it has been done and she followed it. The lottery permit states it is a 50/50 payout. Decision: for this year the 300.00 payout will be honored as that is what buyers were buying in to. Susan will deal/negotiate/beg forgiveness with sask lottery with commitment to change the format in coming year to be a 50/50 payout in accordance with sask lottery rules.

Tree project - Jocelyn presented the need again for opportunity for individuals who want to honor a loved one with a tree planting. Quote presented by Jocelyn from the plant ranch with costs of trees. Trees need to be planted in May to give best chance of survival. Suggest to buy some trees and plant them and then offer to community for people to buy/adopt a tree. Risk of not selling the trees. Option discussed is to advertise the plan to buy trees with prices and give opportunity to community to pre purchase a tree that can be planted May 2027. Will need a volunteer tree coordinator to decide best locations/priority list of where the tree(s) will be planted. Play grounds and pickle ball court were suggestions of locations. Faye mentioned there is a 4th common area on the north end of resort that is accessible thru an easement or public reserve to be considered.

Next meeting: May 2 @ 1000 at Village office

Meeting adjourned at 1130

Submitted by Elva B - secretary - Sunny Spring day with temp of 16 degrees! Happy spring

May 2 2026 – Rec Committee Minutes

Present – Ray O, Jocelyn P, Susan Z Faye S Elva B Don C

Call to order at 1000 – met in Village office

Declaration of Conflict of interest – none

Minutes from April meeting approved

Financial report – Susan Z

SLGA needs to amend the ice breaker permit with the date the rock dropped. Cannot pay out to winners until permit is issued.

Recommendation that Rec Committee does not do the ice breaker next year because of the paperwork involved and fundraised money from the event is not much. It was advertised/old as a 300.00 payout to winners. So 600.00 was paid out (2 winners) and Rec committee raised 360.00. SLGA issued the permit as a 50/50 split however the spots on calendar were sold with the payout of 300.00 to winner. This is the format that had been followed in previous years.

SLGA has approved permit for 50/50 for Canada day celebration on June 27th and Aug 1st. Will need village letter to give approval for the beer gardens on those dates.

Invoice received from Landon C (CAO) for

- 6 picnic tables that were purchased last summer
- ½ of cost of fireworks from Canada Day 2025
- Water heater replacement from Summer 2025
- A septic pump out
- Paper towel/toilet paper

Discussed what the Rec committee should be responsible for and decided the picnic tables and ½ of fireworks had been agreed upon last year.

Also accepted grant money for ^{1467.}3945.87 = Sask lotteries =

Old business: Pickeral park plays tructure – platform still needs to be replaced. Steve B will do that project. Wood has been purchased

- Electrical for pavilion – wiring has been done and cable is not yet buried. Waiting for underground lines to be marked prior to trenching.
- Bottle recycle shed – repair update
- Faye mentioned she may have access to a trailer (with notice) for recycle

Kitchen start up needs:

Propane 50lb tanks x 2 for BBQs – fill at Costco or superior propane

Deep fryer propane – recommended to finish up the 100lb tank and then replace it with purchase of a 50 lb tank. Current 100 lb tank is expired and cannot be refilled.

According to Malcolm Manz/Don C, there should be enough propane to get thru the May and June events.

Water Culligan jugs need to be filled – Don will look after that

May event: Will need to purchase supplies – Burgers x 3 cases from Prairie Meats (42/case)

Hot Dogs from Costco (on sale) Misc condiments, soft drinks, water etc. Don and Elva will make list and shop accordingly. Will purchase a box of uncooked choc chunk cookies from Costco (120/box for 39.99) and see how they go at the May event. Will have a table set up for volunteer set up – Jocelyn will sit at table. Dennis will draw up a picture overview on big white board for visual capture of what the rec committee contributes raised funds to.

June 27th event briefly discussed:

Pancake/sausage breakfast served 9 to 1130

Concession open 12 to midnight

Band from Regina booked by Don – cost 1700.00

- Food: currently have 3 bags of unopened pancake mix and Don thinks we need 6 to 7 bags for this event. Don and Elva will review supplies in kitchen and make shopping list. Will discuss at next meeting in early June the menu and pricing of concession food. Lg freezies left over from last year – suggest to sell for 1.00
- Fun – Pickleball tournament in the morning – need coordinator ? Laurie Schmidt
- Cornball tournament in afternoon – consider asking Kevin to see if he would coordinate. Hoping Cornball games available from ppl in community to borrow.
- Bouncy Castle: big castle not available so 2 smaller castles booked by Don. Lori Wirth, from community, has offered to donate funds towards their rental. Ray O offered to pick the castles up for event day. If there is GST charge on rental, the village will pay as they get GST rebated back and Rec Committee will cover costs of rental, using the donating funds towards the rental.
- Firetruck and police to attend Kids bike/golf cart parade at 1PM – Don will ask
- Fireworks to be ordered and picked up – will ask village to split cost
- June meeting will discuss menu and selling prices. Discussed having beer sold for 5.00/can. To confirm next meeting.

Next meeting June 6 at 10 AM in the village office

- **Estimated expenses for May 16 Free community BBQ are 650.00. Anticipate a donation of 1000.00 from FlexNetwork yet to be received.**
- **Donations for STARS = \$ 462.70. Jocelyn will ask council to match the donation.**
- **SLGA has approved the amended drop date for the ice breaker ball drop and winters have been paid: Carla Mishka 300.00 and Martin Baumann 300.00 Rec committee kept 360.00.**
- **Approval from SLGA pending for June 27. New requirement is they require a site map to be submitted. That will be drawn up and sent in asap**
- **Final report for the 2025 SaskLottery Grant was submitted the end of May**
- **RIVI Council agreed to finance the concrete floor project at the pavilion with the repayment terms over 3 years. Susan recommends that we pay the first payment in June 2026 with funds raised last year, second payment in fall 2026 following successful summer events.**

Discussion from financial report:

- **Need to make new signs to post: alcohol to remain within confined area – Elva will get made**

- Special event day needs to be roped off as the designated area.
- Concrete to be poured on June 15th
- Suggest a public presentation of money from IVRC to IVCouncil on a 'big cheque'. To be presented prior to the fireworks at the same time as the 50/50 draw is done. Have the cheque erasable to use in future. Steve Brisbois will come up with a "big cheque"

May community BBQ wrap up

- Weather was awful with high winds and rain the day prior and forecast was similar on BBQ day. Decision was made (thru texts and conversation of committee) to reduce the amount of buns purchased so there were not lots left over. Flexnetwork was contacted and suggestion made to them to come to the Canada Day celebration instead so they would have a larger attendance and exposure to the community. They agreed to come on June 27th instead. Community showed

up strong despite the weather! 105 burgers and 36 hotdogs were given out. We ran out of buns even after robbing a couple dozen from Jocelyns freezer. Costco cookies went over very well.

- New bulbs purchased for kitchen to make it much brighter. Rec committee paid for the bulbs.
- Going forward, need to get the IV Rec committee given to CAO in the fall so it can be considered in the village budget for coming year.
- Request to consider a ladies/children fish tournament came from Sonia Earis. It would be organized by those wishing to have the tournament. Asking if rec committee could run a small concession – tabled pending further info
